

ATTENTION:

RESIDENTS OF GLENHAM WATER DISTRICT

On the evenings of Monday, April 18, 2016, Thursday, April 21, 2016 and morning of Saturday, April 23, 2016, Slater Chemical Fire Company will be doing drills within the Glenham Water District in the Town of Fishkill. The drills may affect the water pressure and the water clarity. The water quality will improve after the testing is over. At all times the water will remain sanitary.

If there are further questions regarding the water quality, residents may contact Camo Pollution Control Inc. at **845-463-7310**.
